## Our First Two Weeks

July 27-31 was Reunion Week. We had a great time connecting former campers and counselors together on Zoom. We played games, had a feeling check, and enjoyed a great Reunion all about fellowship.

# LIGHT IN THE VALLEY LIVE! LIVE! LIVE!

August 3-8 was our Light in the Valley Live week. This program was our first foray into a large-scale virtual camp experience, and we are happy to report that it was a HUGE success. Campers got to participate in everything from night hikes to dance parties, all while growing in connection with themselves, each other, and God. We are very thankful that this program was so successful and grateful to all the staff and chaplains who made this week possible.

We've learned so much in the past two weeks, and we are excited to share some of what we've learned in our upcoming Traditions Week!
